EDUCATION

Quantum University, Roorkee, Uttarakhand

2024 – Present

B.Tech in Computer Science & Engineering (AI & ML) · CGPA: 7.75 / 10

Hari Ram High School, Siwan, Bihar

2022

Class XII · 70.40%

TECHNICAL SKILLS

Languages: Java, C++, C, Python

Web Technologies: HTML, CSS, JavaScript

Databases & Backend Services: MySQL, Firebase (Firestore, Authentication)

Data Structures & Algorithms: Graph Theory, Dynamic Programming, Trees & Heaps, Recursion & Backtracking

Tools & Practices: Git, GitHub, Object-Oriented Programming, NumPy, Pandas

PROJECTS

QAttend Portal [GitHub](#) | [Live](#)

JavaScript, Firebase Firestore, Firebase Authentication, HTML, CSS

- Built a role-based attendance management system handling section-wise attendance tracking across multiple classes
- Implemented separate Admin and Class-Representative (CR) access levels, restricting each CR to only their assigned section
- Used Firebase Authentication and Firestore for secure, real-time student and subject data management

Student Management System (Java) [GitHub](#) | [Live](#)

Java, ArrayList, Object-Oriented Programming

- Built a console-based application to manage student records with add, delete, search, and update operations
- Applied OOP design principles and input validation to keep the class structure clean and extensible

Carbon Footprint Calculator [GitHub](#) | [Live](#)

JavaScript, Data Modelling · Aligned with SDG 13: Climate Action

- Built a tool that estimates a household or individual's carbon footprint from travel, energy, and consumption inputs
- Converted raw footprint data into actionable, easy-to-understand output for the end user

CERTIFICATIONS & TRAINING

- Java EE Web Development — Udemy (2025)

ACHIEVEMENTS & PRACTICE

- Solved 250+ problems on LeetCode across arrays, graphs, dynamic programming, and recursion (profile: karansin8672)
- Maintain a public repository of LeetCode solutions, synced automatically via LeetHub
- Built multiple Java console-based mini-projects applying core OOP concepts

ADDITIONAL INFORMATION

Languages: English, Hindi

Interests: Competitive programming, cricket
